

A close-up photograph of a bartender's hands pouring a reddish-brown liquid from a copper shaker into two glasses filled with ice. The scene is set in a dimly lit bar with warm, golden lighting. The bartender's hands are in the upper half of the frame, holding the shaker and pouring. The glasses are in the lower half, and a copper shaker is visible on the right. The background is blurred, showing other glasses and bar equipment.

INTRODUCTION

FORMED IN 2002 LOTHIAN SUPPLY COMPANY IS A DIVERSIFIED SUPPLIER OF A VARIETY OF BAR, CATERING AND JANITORIAL/CLEANING PRODUCTS.

Over the past 15 years we have grown the business substantially. Starting by initially supplying beverage gas we quickly diversified into paper products and glassware.

We now distribute catering and bar products throughout the UK and have a catalogue with over 15,000 products from small utensils up to large catering equipment and carry most large brands. This catalogue is a small selection of the products we offer, for everything else please just ask!
